

TEAM W

GUIDELINES FOR CLERGY, USHERS AND LAY LEADERS

General Information

- 1. What do you say when you meet a person with a disability? How about, "Hello?"
- 2. A warm smile and friendly conversation are very welcoming.
- 3. Speak directly to the person with a disability, not only to the family member, companion, interpreter, or canine companion.
- 4. Use people-first language such as "people with disabilities" or "a parishioner who is blind" NOT "the disabled" NOT "a blind parishioner."
- 5. Ask the person with the disability HOW you can help. Respect any refusal.
- 6. Offer accessible seating, large-print bulletins, missalettes, or assistive listening devices. Know where accessible washrooms are.
- 7. Recognize that each person has gifts and abilities. Ask parishioners with disabilities if they would like to usher, bring up the gifts, proclaim the word, etc.
- 8. Be sensitive to where a person wishes to receive communion at their seat or at the altar and make sure they are accommodated.
- 9. Feel comfortable using words like see, walk, and listen with persons with disabilities.
- 10. Use the accessibility logo in print materials and on signage. Include the words "All Are Welcome."

WELCOMING PEOPLE WHO ARE BLIND OR HAVE VISION LOSS

- 1. Identify yourself when you greet the person. Tell the person when you are about to leave.
- 2. Talk normally, using your customary voice and typical expressions like "See you later."
- 3. Offer your arm when assisting, the same way an usher does at a wedding.
- 4. Give verbal cues such as "We are going through a doorway." Explain the traffic pattern with clear, calm instructions such as "Go up the center aisle."

TEAM W

WELCOMING PEOPLE WITH MOBILITY DIFFERENCES

- 1. Speak directly to the person.
- 2. Offer assistance, but accept a "No, thank you."
- 3. Sit down so that you are at eye-level if the conversation will last more than a few minutes.
- 4. Shake hands or lightly touch a shoulder in the same way you would with others.
- 5. Keep a person's wheelchair or walker near the person. A person who uses a chair may be able to walk but still needs the chair.

WELCOMING PEOPLE WHO ARE DEAF OR HARD OF HEARING

- 1. Face the person. He/she will appreciate seeing your facial expression and may read your lips. Your face, gestures, and body movements help in understanding.
- 2. Move closer rather than shout.
- 3. Speak clearly and slowly. Writing may be necessary.

WELCOMING PEOPLE WITH SPEECH DIFFERENCES

- 1. Be patient. Let a person talk at his/her own pace.
- 2. Remember a person may have communication means other than speech, such as writing.
- 3. Ask questions that require short answers or a shake of the head. If you cannot understand, rephrase the question.
- 4. Repeat or paraphrase what was said in order to confirm that you understand.

WELCOMING PEOPLE WITH COGNITIVE DIFFERENCES

- 1. Greet the person and interact normally.
- 2. Keep things simple and uncomplicated.
- 3. Treat people equally regardless of participation level; give prayer books or hymnals to all; allow everyone a chance to speak.

Please duplicate and share with others.
