INTRODUCTION TO THAT EVERY ABILITY MAY BELONG MONTH

Pathways.org is pleased to announce that our faith based initiative is changing its name to **That Every Ability May Belong: TEAM Belong**. The new name reflects a shift in emphasis from inclusion to *belonging* for individuals of all abilities in houses of faith and parochial schools.

When we provide an accessible school and parish, we are allowing people with disabilities to be present. When we include, we are welcoming individuals with disabilities as outsiders into our select group of insiders. But when we go beyond inclusion to *belonging*, we accept, get to know and invite parishioners with disabilities to participate alongside their fellow Orthodox Christians.

That Every Ability May Belong Month is time set aside to focus your parish and school on the many ways we can move beyond inclusion to *belonging* for individuals who happen to have disabilities. We welcome your participation!

Pathways.org is grateful to the lay leaders, clergy and parishioners of the Greek Orthodox Metropolis of Chicago who create communities of faith where individuals of all abilities *belong*.

We hope the activities and materials in this workbook will encourage even more parishes to join the effort.

DEDICATION:

The That Every Ability May Belong Month Workbook is dedicated to the memory of Petros Patos who inspired us all.

THE STAGES OF BELONGING

The Stages of Belonging	
People of all abilities and their families are:	When:
1. PRESENT	We provide an accessible campus.
2. INVITED	We extend personal invitations to participate and provide accommodations needed.
3. WELCOMED	We educate so that everyone can accept the responsibility to offer hospitality to all.
4. KNOWN	We facilitate interactions to get to know one another.
5. ACCEPTED	We have respect for everyone in all their differences.
6. SUPPORTED	We ask, "What can we do for you?"
7. CARED FOR	We show kindness and genuine concern.
8. BEFRIENDED	We facilitate small group interactions <u>over time</u> to create friendships.
9. NEEDED	We provide ministry roles.
10. LOVED	We provide a valued place in the community.

REFLECTING ON THE STAGES OF BELONGING

So often we think we have done our job if individuals with disabilities are present. But that is only the first step. So much more work follows to ensure that individuals who happen to have disabilities experience true belonging.

Are people with disabilities and their families ...	What are we doing well in this area?	What could we do better or differently in this area?

TEAM BELONG MONTH ACTIVITIES

Listed below are ideas for your TEAM Belong Month events in the areas of affirmation, communication and accessibility. For assistance with planning your event contact Maria Kotsinis at reenote@comcast.net.

Affirmation

- ❑ Under the direction of your parish priest, select a date and plan a special worship service during TEAM Belong Month.
- ❑ Under the direction of your parish priest, form a TEAM Belong Ministry comprised of Philoptochos members and parishioners with disabilities to address intentionally welcoming parishioners of all abilities. Introduce the team at your TEAM Belong Month liturgy.
- ❑ Train teens to serve as greeters during TEAM Belong Month. See ideas in this workbook for involving teens.
- ❑ Request a Blessing of the Five Loaves of Bread (Artoklasia) after Divine Liturgy during TEAM Belong Month.
- ❑ Make and distribute white lapel ribbons or order white That Every Ability May Worship bracelets to distribute.
- ❑ Does your parish include children with intellectual challenges in religious education and worship? Use the [*Different Gifts, Same Spirit*](#) lesson plans available from Loyola Press or download a free version at www.TEAMBelong.org to prepare your classroom to welcome children and youth of all abilities.

Belonging

- ❑ Present the *That Every Ability May Belong Webinar*, available at www.TEAMBelong.org, to parish and school staff and ministry leaders.
- ❑ Preach about the healing stories in the Gospels as a universal need for healing rather than in ways that target or oppress people with disabilities.
- ❑ Use the *Stages of Belonging* to transform your parish and school into communities where everyone belongs. See pages 4 and 5.

Communication

- ❑ Create a booklet with information about welcoming worshippers of all abilities to distribute to parishioners at your TEAM Belong Month Divine Liturgy.
- ❑ Order [*The Body of Christ: A Place of Welcome for All People, Including People with Disabilities*](#) by Father John Chryssavgis from the Orthodox Marketplace. Distribute during TEAM Belong Month. Or download the free PDF of the booklet and place quotes in your TEAM Belong Month booklet.
- ❑ Use respectful language when speaking, preaching or writing about individuals of all abilities. See page 15.
- ❑ Plan a coffee hour with children's activities for TEAM Belong Month. See "I Am 'Thumb' Body" and the Paper Doll Activity in this workbook. Invite GOYA (Greek Orthodox Youth of America) and Junior GOYA to assist with preparing materials and assisting with the activity.
- ❑ Secure a sign language interpreter for a liturgy during TEAM Belong Month and consider providing this service on a regular basis.
- ❑ Print the TEAM Belong Month Prayer Card, available at www.TEAMBelong.org. Distribute at church entrances or place the Prayer for Awareness in your TEAM Belong Month booklet.

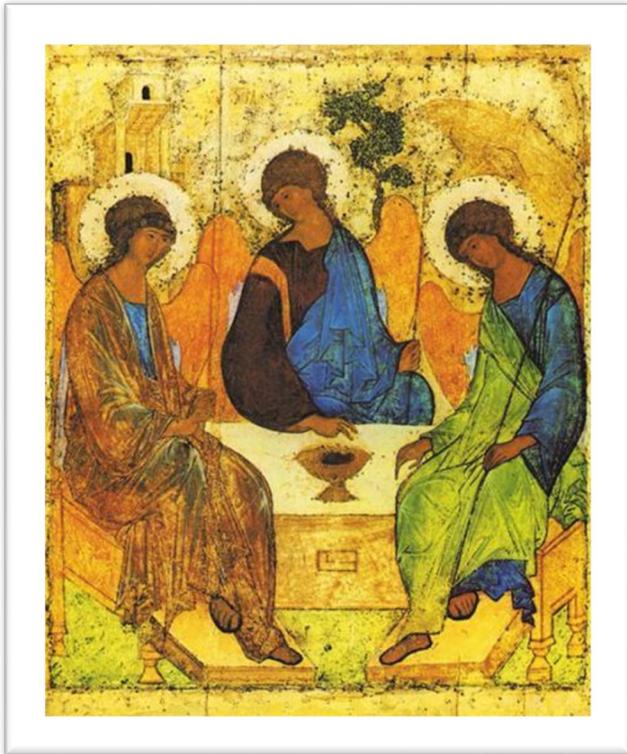

Accessibility

- ❑ Lower the icons in your church so that parishioners who use wheelchairs can easily venerate them.
- ❑ Do a walk-through of your facilities during TEAM Belong Month using the Facilities Survey in this workbook. Note inaccessible areas and announce plans to remove those barriers at your congregation's TEAM Belong Month celebration.
- ❑ Apply for a TEAM Belong or Junior (for children) TEAM Belong Award of up to \$1,000 to help fund projects that create belonging at your parish. Visit www.TEAMBelong.org for deadlines and application packets.

St. John the Baptist, St. Andrew, St. Demetrios and St. Constantine and Helen parishes are among the parishes that make belonging for individuals with disabilities and their families a priority in their faith communities. Thank you to these parishes and others who have joined the That Every Ability May Belong movement!

TEAM BELONG MONTHPRAYER CARD

A PDF of the TEAM Belong Monthprayer card is available at www.TEAMBelong.org. Download, print on card stock (4 cards per page), cut and distribute the prayer cards to worshippers during TEAM Belong Month. The icon of the Holy Trinity on the TEAM Belong Month prayer card is a source of meditation and prayer on the Trinity, hospitality and belonging. In *Behold the Beauty of the Lord: Praying with Icons*, Father Henri Nouwen* describes the Trinity icon as an invitation to know God, not through our intellect, but through our heart, a more inclusive approach to prayer. He writes, “As we place ourselves in front of the icon in prayer, we come to

experience a gentle invitation to participate in the intimate conversation that is taking place among the three divine angels and to join them around the table.” Nouwen says that in gazing on the icon we are beckoned to enter a house of love that “has no boundaries and embraces everyone who wants to dwell there.” The image of the three figures extends beyond the picture to include the viewer. The icon invites each of us to take our place at the Table. We are all welcome to participate. We are all belong.

HOW YOU CAN MAKE A DIFFERENCE

There are many things that you, as an individual, can do to help people of all abilities feel welcome at your house of faith.

1. I will treat ALL people as PEOPLE FIRST – as I would like to be treated.
2. I will SPEAK DIRECTLY to the person with a disability, not only to the nearby family member, companion, interpreter, or the canine companion.
3. I will offer to SHAKE HANDS when introduced to a person with a disability. (Persons with limited hand use or who wear an artificial limb may shake hands. Shaking the left hand is okay, too.)
4. I will place myself at EYE LEVEL, in front, for easy conversation with a person in a wheelchair, with crutches, or with a walking frame.
5. I will OFFER ASSISTANCE AND WAIT until the offer is accepted. I will wait and then ask for instructions.
6. I will be PATIENT AND WAIT for the person with difficulty speaking, rather than speaking for the person. I may help by asking short questions that require short answers, a nod, or a shake of the head.
7. I will see the WHOLENESS OF SPIRIT beneath the surface of someone with a disability and overcome the tendency to turn away or ignore the person.
8. I will TREAT ADULTS with developmental disabilities AS ADULTS, not as children. I will use first names only when using the same familiarity for all persons.
9. I will get the attention of someone who is hearing-impaired by LIGHTLY TAPPING their elbow or shoulder, or by WAVING MY HAND. I will look directly at the person and speak clearly, slowly, and expressively to establish if the person can read my lips.
10. I will guide a person with visual impairments by GIVING VERBAL CLUES to steps, curbs, escalators or doors.

KNOW YOUR DISABILITY ETIQUETTE

GENERAL INFORMATION

1. What do you say when you meet a person with a disability? How about “Hello?”
2. Because each person has gifts and abilities, ask a person with a disability to usher, to read, etc.
3. Speak directly to the person with a disability or difference, not only to the family member, companion, interpreter, or canine companion.
4. Ask the person with the disability if you can help. Respect any refusal.
5. Be sensitive to where a person wishes to receive Holy Communion – modify according to needs.
6. A warm smile and friendly conversation are very welcoming.
7. Feel comfortable using words like see, walk, and listen with persons with disabilities.
8. Use people-first language such as “people with disabilities” NOT “the disabled.”
9. Offer large-print prayer books, bulletins, or assistive listening devices.
10. Use the accessibility logo. Include the words “All Are Welcome.”

**ALL ARE
WELCOME**

WELCOMING PARISHIONERS WITH BLINDNESS OR VISION LOSS

1. Identify yourself when you greet the person. Tell the person when you are about to leave.
2. Talk normally, using your customary voice and typical expressions like “See you later.”
3. Offer your arm when assisting; the same way an usher does at a wedding.
4. Give verbal cues such as “We are going through a doorway.” Explain the traffic pattern with clear, calm instructions such as “Go up the center aisle.”

WELCOMING PARISHIONERS WITH MOBILITY DIFFERENCES

1. Speak directly to the person.
2. Offer assistance, but accept a “No, thank you.”
3. Sit down so that you are at eye-level if the conversation will last more than a few minutes.
4. Shake hands or lightly touch a shoulder in the same way you would with others.
5. Keep a person’s wheelchair or walker near the person. A person who uses a chair may be able to walk but still needs the chair.

WELCOMING PARISHIONERS WITH DEAFNESS OR HEARING LOSS

1. Face the person. He/she will appreciate seeing your facial expression and may read your lips. Your face, gestures, and body movements help in understanding.
2. Move closer rather than shout.
3. Speak clearly and slowly. Writing may be necessary.

WELCOMING PARISHIONERS WITH SPEECH DIFFERENCES

1. Be patient. Let a person talk at his/her own pace.
2. Remember a person may have communication means other than speech, such as writing.
3. Ask questions that require short answers or a shake of the head. If you cannot understand, rephrase the question.
4. Repeat or paraphrase what was said in order to confirm that you understand.

WELCOMING PARISHIONERS WITH COGNITIVE DIFFERENCES

1. Greet the person and interact normally.
2. Keep things simple and uncomplicated.
3. Treat people equally regardless of their participation level. For example, if a Sunday bulletin is distributed, give to all.

Please duplicate and share with others.

USING APPROPRIATE LANGUAGE

Words, whether spoken or written, are the basic means by which people communicate. Words are powerful tools that can affirm and empower. At the same time, the misuse of words can belittle and demean. Language used to describe people with disabilities often focuses on lack of ability rather than on competency. Don't reinforce common myths about people with disabilities.

When writing or speaking about people with disabilities, words should be chosen with care in order to promote dignity and a positive image. The following suggestions, adapted from guidelines developed by The Research and Training Center on Independent Living, may assist in this process:

- Make reference to the person first, then the disability. Say “a person with a disability” rather than “a disabled person.”
- If the disability isn't germane to the story or conversation, don't mention it.
- A person is not a condition; therefore, avoid describing a person in such a manner. Don't present someone as an “epileptic.” Rather say “a person with epilepsy.”
- Do not portray successful people with disabilities as superhuman, as this raises expectations that all people with disabilities should reach this level.
- Do not sensationalize a disability by use of such terms as “afflicted with,” “victim of,” “suffers from.”
- Do not use generic labels such as “the disabled.”
- Emphasize abilities, not limitations. Use “walks with crutches” rather than “crippled”.
- Do not use condescending euphemisms. Terms like “handy-capable” and “physically inconvenienced” are considered condescending.
- Do not imply disease. People with disabilities should never be referred to as patients.
- Speak of people with disabilities as active participants in society. They are!

INVOLVING TEENS IN TEAM BELONG MONTH

Sensitivity Training

Set a date for your teen meeting and invite GOYA and Junior GOYA to attend. Use the Guidelines for Ushers and Lay Leaders, How You Can Make a Difference and Disability Language Guidelines in this workbook to instruct teens on proper disability etiquette. Designate which teens will act as greeters at doors to distribute ribbons and booklets, personal attendants for parishioners who need assistance, helpers with children's activities in the social hall and assistants to distribute The *Body of Christ* booklets from a table in the social hall.

Making White Ribbons

Ask teens to assemble white ribbons for TEAM Belong Month. Make enough ribbons for all parishioners to receive one on TEAM Belong Month.

Materials:

½ inch wide stiff white ribbon

Glue dots

Scissors

Cut a piece of 6 inch long ribbon, cutting ends at an angle. Bend the length of ribbon in half and cross tails forming a loop and secure ends at the center with a glue dot. Place completed ribbons in a basket and assign teens to use glue dots to attach to parishioners as they enter church on TEAM Belong Month. Teens can also distribute program booklets at the doors of the church.

Assemble TEAM Belong Month Booklets

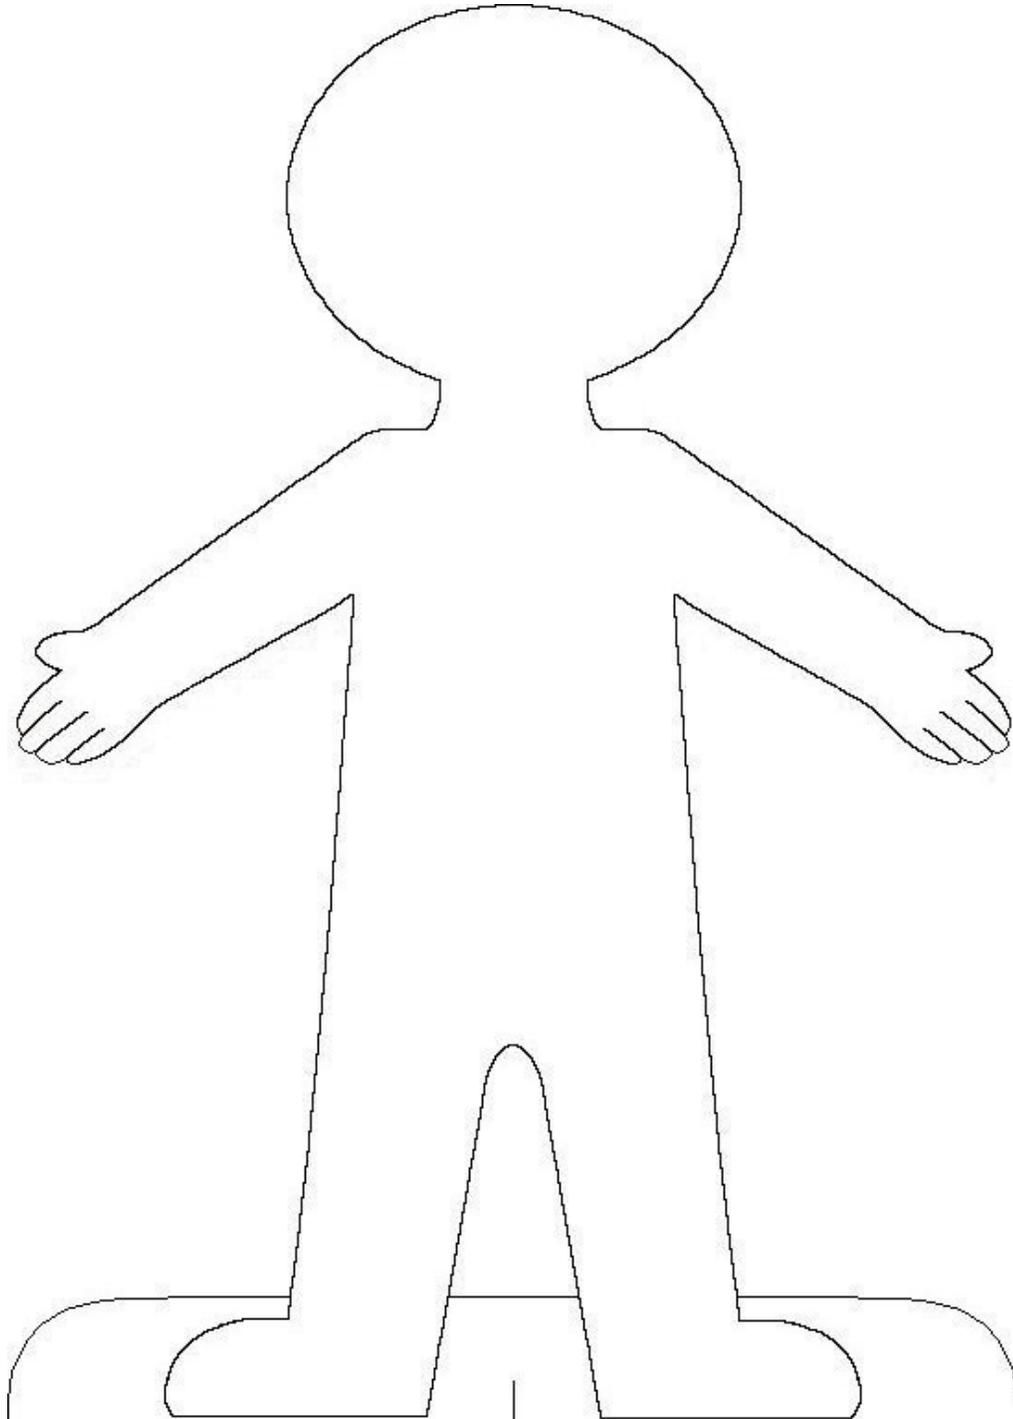

Create a booklet for TEAM Belong Month. Photocopy the booklet and ask teens to fold and assemble booklets. Teens can serve as greeters and distribute the booklets and ribbons at your TEAM Belong Month Divine Liturgy.

Cut Out Dolls for TEAM Belong Month Paper Doll Activity

Materials:

Stiff card stock paper, scissors, ball point pens, paper doll templates, hole punch, yarn

Have teens trace paper doll outline onto white cardstock and cut out one paper doll for each child participating. Punch holes in hands of dolls. Cut lengths of yarn long enough to tie dolls together at the hands.

INVOLVING CHILDREN ON TEAM BELONG MONTH

“I AM ‘THUMB’ BODY” ACTIVITY

Materials:

Large table

Large pieces of banner paper

Stamp pads in various colors

Black Thin Tipped Felt Markers

Disposable wipes to clean thumbs

Spread the large sheets of banner paper on the table. Write “I Am ‘Thumb’ Body” in the center of each banner in large letters. Invite children and adults to coat their thumbs/fingers lightly on the stamp pads and press their prints onto the large banner paper to make a head and a body. Use the markers to draw eyes, nose, mouth, hair, arms, legs, clothes etc. on your thumbprint portrait. Sign your name below your portrait. Clean off thumbs with wipes. When each paper is covered with thumbprint people, display the banner for all to see.

PAPER DOLL ACTIVITY

Materials:

Roll of banner art paper

Paper dolls pre-cut and punched by GOYA

Yarn pieces pre-cut by GOYA

Crayons

Set up tables with supplies. Invite children to decorate a pre-cut paper doll of themselves with crayons. String dolls together by inserting yarn into holes in hands of dolls and tying together. Write “We are All Different Yet All Alike in the Eyes of the Lord” in large letters on the banner paper. Attach the yarn joined dolls to the banner and display for all to see.

SUNDAY SCHOOL ACTIVITIES

Use the [Different Gifts, Same Spirit](#) lesson plans in religious education classes and youth groups, available from Loyola Press or download a free version at www.TEAMBelong.org. Distribute the booklet *The Body of Christ: A Place of Welcome for All People Including People with Disabilities* by Father John Chryssavgis to all Sunday school teachers. Ask them to read and discuss during Sunday school during TEAM Belong Month.

THE BODY OF CHRIST: A PLACE OF WELCOME FOR ALL PEOPLE, INCLUDING PEOPLE WITH DISABILITIES

The fifteen page booklet “The Body of Christ: A Place of Welcome for All People, Including People with Disabilities,” by Father John Chryssavgis is an important statement of the call for Eastern Orthodox Christians to welcome parishioners of all abilities into full participation in parish life. It is available through the [Orthodox Marketplace](#) as a free download or in booklet format for a nominal price.

“It should be the dream and desire of us all – someday soon, we hope – to see the ways of inaccessibility and discrimination, of ignorance and segregation, of patronizing and exclusion, pass away through the example and covenant of Christ (2Cor.

5.17). ‘For you are all one in Christ... There is no such thing as Jew or Greek, slave or free, male or female, [and St. Paul could quite easily have added disabled or non-disabled]’ (Gal. 3.28).

Fr. John Chryssavgis

The Body of Christ: A Place of Welcome for All People, Including People with Disabilities

CREATING AN ACCESSIBLE FACILITY

Nothing says welcome like an accessible facility: from the parking lot, to the entrance doors, to the worship space, to the washrooms. A walk-through of your property using the following facilities survey can give you an idea of how accessible you are.

Gather a group of interested individuals, including at least one person who uses a wheelchair, and your facilities manager. Photocopy the following Facilities Survey for each group member and place on clipboards. Using a tape measure for accuracy, walk through your campus, answering the questions as you proceed. Afterwards review your findings and draw up a plan to address any access needs. To save time, divide your committee into groups, assign each group different areas to survey and then have groups report back on findings.

FACILITIES SURVEY

Use the following survey to evaluate the accessibility of your campus. At least one person who uses a wheelchair should be part of the survey team. "NO" answers indicate areas which need to be addressed.

\$1,000 TEAM BELONG AND JUNIOR TEAM BELONG AWARDS

The TEAM Belong and Junior TEAM Belong Awards (submitted by children 5 to 18 years old) are cash grants of up to \$1,000 for specific, planned projects that promote access, welcome and belonging for worshippers of all abilities in houses of faith, religious schools and faith formation programs.

Deadlines, application packets, a winning essay with photos and a winning video are available at www.TEAMBelong.org or call 1-800-364-1337 for more information.

Since 2003, Pathways Foundation has recognized eleven Greek Orthodox parishes with TEAM Belong Awards cash grants for their efforts to welcome parishioners of all abilities. Each winning parish submitted a completed application form, a video or essay (with photos) of how they welcome parishioners of all abilities and their families and the specific planned project that they request funding for. TEAM Belong Award winning Greek Orthodox parishes are:

- 2003 St. Andrew Greek Orthodox Church, Chicago, IL
